Holy Gift (Richard Walton)

Mary oh Mary, why are you crying?
Do not be afraid, you've found favor with me
I'll bring you a son and you shall call him Jesus
He will be great and he'll reign eternity

I've sent you an angel from heaven
A highly favored greeting full of love
Do not be afraid of these plans I've made
It's my holy gift from above

I watched you go, to the hills of Judea
To visit Zachariah and Elizabeth there
For they would bear a son, whose name will be John
He will praise my name and the love that I share

I've sent you both an angel here from heaven
A highly favored greeting full of love
Do not be afraid of these plans I've made
It's my holy gift from above

Mary, oh Mary, take your hand with Joseph
The shepherds in the fields, will share the good news
Of baby Jesus, to the town of Bethlehem
And they will praise my name as far as they choose

I've sent them an angel from heaven
A highly favored greeting full of love
Do not be afraid of these plans I've made
It's my holy gift from above
It's my holy gift from above
It's my holy gift from above
