Friend (Drew Davidsen)

And I feel fine, 'cause you're raining down on me
And I'm wet with your love that comes from above,
My majestic majesty
You are there, with everything I need
And there's no other friend I want till the end so deep inside of me
I'm glad to have you as a friend.....

Because you, are beautiful to me
I once was blind but now I can see
That your love is raining down on me
And from the heavens above
I am drenched with your love

My heart Is filled, with the glory of the Lord
Oh His rain falls down like a summer's day
And I never need no more
Going on, living in His word
His will for me is what I need
And His holy power endures
I'm glad to have you as a friend.....

Because you, are beautiful to me
I once was blind but now I can see
That your love is raining down on me
And from the heavens above
I am drenched with your love

Because you, are beautiful to me
I once was blind but now I can see
That your love is raining down on me
And from the heavens above
I am drenched with your love
