A Day Like No Other

words & music: Richard Walton

This is a day like no other
When Jesus the Saviour was born
An angel came down to a virgin
Whom God's holy love had adorned

A blessing to Mary and Joseph
To all mankind this morn
This is a day like no other
When Jesus the Saviour was born

This miracle baby descended
From God's perfect, holy place
Could we ever imagine
The look on the shephard's face

A blessing to Mary and Joseph
To all mankind this morn
This is a day like no other
When Jesus the Saviour

He was born on a birthday of love
On a winter's day of peace

A splendor to Mary & Joseph
To Bethlehem this morn
This is a day like no other
When Jesus the Saviour was born
